250827 - day 01

this is the stuff i'm doing today

If i just want text here then this is all i have to do.

this is the stuff i'm going to do tomorrow.

Here is that stuff

markdowny stuff goes in here

```
In [1]:  x = 5
         y = 7

         print(x+y)
```

12

ah that is interesting i'm doing to have to remember that

```
In [2]:  x = 10
```

testing some more

testing even more now...

```
In [ ]:
```
